MEMBER EDUCATION

When signing up for direct deposit or an automatic debit from your account, please give your account number and specify if it is for savings or checking account.

If you have checks, you will notice that your account number has an extra digit. Only give this extra digit on the account number if you are doing a “check by phone.” An automatic ACH debit does not require the extra digit.

For additional questions, contact us at askme@alhambracu.coop.

ACU Debit Cards

New Styling & Security Feature

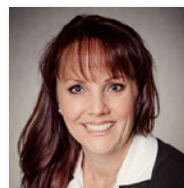

Starting later this year, when your debit card is ready for reissue it will have added security and a new look.

The **ACU** debit card will now have the chip security you may have been hearing about.

Due to the location of the chip embedded in the card, we have had to change our debit card style to one sleek new looking card.

Watch for this exciting change coming soon!

Thank you Dolores Rivera for your years of service on the Alhambra Credit Union Board of Directors. Due to personal reasons, Dolores has stepped down from serving on the Board.

Welcome

Alan Fine to the Board of Directors. The Board appointed Alan to replace Dolores for her remaining term. Alan is co-owner of Deja V you consignment store in Litchfield Park and is an active credit union member.

Congratulations

Joy Garcia Cocone! Recipient of the Robert E. Simpson Memorial Scholarship

The Robert E. Simpson Memorial Scholarship was established in 1961 to honor the first Superintendent of the Alhambra School District. He was killed in a traffic accident in February of that year. Teachers and community leaders came together to raise funds and establish the scholarship to aid Alhambra District graduates planning to enter educational careers.

The recently awarded scholarship will be the final one presented. The scholarship has helped many students over the past 54 years. Economic issues forced the reduction of principal to keep the amount of the award relevant.
